

Class 9. Nano in Culture

Reading:

- M. Flynn, *Soul of the City*

Turn in:

- NONE

City Hall Meeting to decide whether the city should apply EverKleen™ to all government buildings and/or require coating all major buildings for the betterment of the city.

2-minute statements will be heard from each group representing various members of the city community.

1-minute rebuttal statements will be made by each group after the first round of opening statements.

Council members will be permitted to ask questions to determine their opinions on the matter.

Each council member will have one vote.

Groups representing the city community:

1. Street artists
2. Town business leaders
3. Scientists from Singer Labs
4. Community leaders
5. Environmental activists
