

**name (tenure status)**

abbott (prof)  
babcock (prof)  
beebe (assoc. prof)  
bertics (prof)  
blanchard (professor)  
blick (assoc prof)  
booske (prof)  
botez (professor)  
carpick (asst prof)  
cerrina (prof)  
chang (prof)  
conrad (prof emer)  
Coppersmith (professor)  
corradini (prof)  
crone (assoc prof)  
denes (assoc prof)  
depablo (prof)  
drugan (prof)  
dumesic (prof)  
ellis (prof)  
engelstad (prof)  
eom (prof)  
eriksson (assoc prof)  
evans (assistant prof)  
gellman (prof)  
gianchandani (assoc prof)  
givnish (professor)  
graham (prof)  
hagness (prof)  
hamers (prof)  
hellstrom (professor)  
hershkowitz (professor)  
himpel (prof)  
kiessling (prof)  
klingenberg (assoc prof)  
kuech (prof)  
lagally (prof)  
lakes (prof)  
larbalestier (prof)  
li (xiaochun) (assistant professor)  
lynn (asst prof)  
ma (asst. prof)  
mavrikakis (assistant prof)  
  
mccaughan (professor)  
murphy (Professor )  
  
nealey (associate professor)  
palecek (assistant professor)  
perepezko (professor)  
plesha (professor)  
polyanski (scientist)  
raines (professor)

**department**

chem and bio engineering  
materials science and engineering  
biomed engineering  
biomolecular chem, chem and biological engineering  
engineering physics  
electrical and computer engineering, physics  
electrical and computer engineering  
electrical and computer engineering  
engineering physics  
electrical and computer engineering  
materials science and engineering  
engineering physics  
physics  
engineering physics  
engineering physics  
biological systems engineering  
chem and bio engineering  
engineering physics  
chem engineering  
chem  
mechanical eng  
materials science and engineering, physics  
electrical and computer engineering, physics  
materials science and engineering  
chemistry  
electrical and computer engineering  
botany

materials science and engineering  
engineering physics  
materials science and engineering  
mechanical eng  
chem engineering  
electrical and computer engineering  
chem engineering  
chem and bio engineering, electrical and computer engineering  
surgical sciences (vet school)  
chem and bio engineering, electrical and computer engineering  
chem and bio engineering  
materials science and engineering  
engineering physics  
engineering experiment station  
chem and biochem

rutland (professor)  
rzchowski (assoc prof)  
Schwartz (professor)  
shkel (asst prof)  
shusta (assistant prof)  
smith (lelie) (professor)  
smith (lloyd) (professor)  
sridharan (associate scientist)  
stahl (assistant professor)  
stone (professor)  
taylor (professor)  
Vanderweide (professor) (aka Van der weide)  
voyles (assistant prof)  
waleffe (professor)  
Wendt (professor)  
wong (professor)  
Yethiraj (professor)
