

Science and Technology Studies 201:
Sections 84375 and 84405
“Nanotechnology and Society”

What is nanotechnology and why are scientists, businesses, and governments around the world so excited about it?
What happens when nanotechnology leaves the laboratory and enters society?
How will nanotechnologies change our future?
Take our class and find out.

STS 201: Nanotechnology and Society, 2 sections being offered:

#84375	T, R	9:30-10:45 am	by Ricky Leung
#84405	M, W, F	9:55-10:45 am	by Charlie Tahan
